GVN Stapling - help needed

For a variety of reasons, our small,
but lovely, team of staplers is
becoming even smaller.

The assembly and stapling of your
magazine involves working in pairs
or threes, in the 'office' in
Glandford, for a couple of hours
each month.

If you think you may like to help,
please get in touch,
Thank you.

News from the Methodist Church

It's been great to be back in the full swing of being open again with services, prayer times, coffee, and lots of things happening in the Community Garden. Now the planters are full of plants, the space is really coming together. We have had a donation of a garden bench, around which we're planning to plant some lavender and create a peaceful little area called Jessie's rest, after Jessie Bedwell who many people will remember ran the Sunday School for many years (many thanks to those who suggested this). We're continuing to think about the Community Garden and what people might like to be included, we're always grateful for suggestions. On that theme we're looking for some help to design a logo for the Community Garden and invite young people under the age of 16 to design a logo for us, there'll be a prize for the winner and two runners up. All you need to do is design a logo on a piece of A4 paper with your name, age and telephone number on the back and send it to us at;

*The Pilgrim Methodist Church Blakeney
111 High Street
Blakeney
NR25 7PS*

Or drop your entry into the red mail box on the front of the Chapel. The deadline is September 30th and the winning design will be used as our new logo.

We continue our menu of services, which are as follows;

*Sunday 5th September 10am - Traditional Methodist Service
Sunday 12th September 10am - Cafe Church
Sunday 19th September 10am - Garden Church
Sunday 26th September 10am - Cafe Church
5th Sunday - Something Different! (there isn't one in September)*

In August there was a 5th Sunday and we enjoyed a brunch together, along with a short reflective activity. Our next something different service will be in October and we look forward to trying something else!

Starting on Thursday 2nd September at 9.30am, we will be returning to a regular pattern of a midweek prayer time with Pilgrim Prayers, based around a short liturgy with time for open prayer also. Also starting on Thursday 2nd September, we will be opening The Pilgrim Lounge, which is a new venture. It will be open from 10am -12noon - offering tea and coffee in the schoolroom, which we plan to transform into a comfortable, inviting lounge space for people to come and relax in. There won't be any charge for drinks/refreshments as we'd like the lounge to be accessible to everyone.

I'll be at the Chapel every Thursday Morning and most Sunday Mornings (occasionally I preach elsewhere) feel free to pop in and say hello, or you can contact me by email;

pilgrimchurchpioneer@outlook.com or telephone 07591 509653.

A DATE FOR YOUR DIARY – Saturday, 30/10/21 – Blakeney Village Hall

This is the date that we are planning to hold a public exhibition of our proposed plan for the Blakeney New Cut in order to improve and maintain its navigation.

We will confirm the time of the exhibition here in the October GVN and other places, but hope that it will be for approximately two hours prior to the Blakeney Harbour Association (BHA) AGM the same evening. There will be; plans showing our proposed scheme, and B3CT representatives to answer your questions and hear your views.

We had been planning this prior to the arrival of Covid, so has been on hold since then....

After this process, depending on the outcomes, we then intend to hold detailed discussions with relevant stakeholders before approaching regulators for the necessary consents.

We look forward to restarting this project. More news next month.

Coastal Rowing Association of Blakeney

The two skiffs – *Hoi Larntan* and *Bluejacket* – have continued to be well used during this season with outings each week when tides permit. July was a particularly active month with two or three outings each week. August also saw crews enjoying the water. September promises to be fun with, besides the regular rows, a club picnic scheduled for Saturday the 18th. Both skiffs will again be in use, as well as other boats, and all the ingredients are present for an enjoyable afternoon social at Pinchen's Creek. The leaving time will be 4.30 from the Carnser.

As always, photographs and descriptions of the club's activities can be found on the blog at cra.blakeney.wordpress.com and on Facebook and Instagram.

Amongst the smiling faces in the photographs, it has been great to see a pleasing number of new rowers trying their hands at the sport.

If you are interested in joining or learning more about Blakeney Rowing Club then, besides looking at the information sources mentioned above, phone club captain Humphrey on 07542371469. You are entitled to three free rows and these are opportunities to gain the experience of rowing on Blakeney waters which should not be missed.

Whether you are a beginner or a seasoned rower, you will be most welcome and looked after. Go on, give it a try!

*Best wishes and stay safe.

BLAKENEY NEIGHBOURHOOD HOUSING SOCIETY

Your Local Housing Society is looking for a new Treasurer/Bookkeeper to take it on beyond its 75 years of existence.

Over the years, the Society has greatly benefited from successive volunteers stepping up to perform these vital roles.

The Neighbourhood in our name applies to both housing and to the fact that our Volunteer Support can and does come from even further afield.

Please email us at the following address if you think you might be interested in joining our team and we can explain in more detail what the role or roles might entail. It might be that two people could take on one aspect each. Our present Treasurer has kindly agreed to remain in post for a while in order to ease his successor(s) into either or both elements of it.

BLAKENEY VILLAGE HALL REFURBISHMENT

Those of you who have attended The Blakeney Players latest highly enjoyable production 'Stand and Deliver', or have been to the Craft or Antique Fairs will have already seen that there has been a lot of building work taking place during the closure.

There is now double the number of women's cubicles; the disabled toilet has been enlarged to facilitate easy wheelchair access and they and the men's toilet have all been fully modernised with up-to-date sanitary ware and hand washing and drying facilities.

The committee also took the opportunity while the work was taking place to revamp and redecorate the foyer.

The work was undertaken by RJ Bacon and particular thanks should go to the following members of the Village Hall Committee, Geoff Davison, Jill Tibbetts and Edward Hackford for their enthusiasm, technical input and hard work in instigating, fund raising, designing and negotiating with the contractor, and seeing the project through from start to completion.

The Committee intend to continue maintaining and updating the Village Hall but the work has nearly drained our reserves and further major projects will have to wait until we are able to replenish the coffers.

Richard Baughan, (Secretary)

RECIPE BY MARY NORWAK Swedish Memories

Get to grips with your collective imaginations for this bit. Here's a confession which sounds like the title of a blue film I was a Swedish au pair. More accurately, I was an au pair in Sweden, more years ago than I ought to remember. The traffic was not always one way, and there was a time when English girls were greatly in demand to look after European children and teach them the language which everyone wanted to learn. We entertained a lot, particularly outside through the long days of summer (only two hours of darkness for much of the time), and I learned about the famous Swedish smorgasbord open table. This was a delectable display of savoury foods, eaten in a traditional order. There were various kinds of breads, crispbreads and butter. Then came many varieties of pickled herrings, sardines and anchovies and Swedish caviar made from roe and rather like taramasalata. Next were meats such as kidneys, sausages, ham and jellied pork and veal. In between there would be omelettes, sauté mushrooms, pickled cucumber and beetroot, radishes, green salad and potato salad. Next a diversion to lobster salad and to salmon, ending with fruit salad and cheese.

There were smaller versions for family meals, but there was always a good selection of pickled, smoked and canned fish,

egg dishes, salads and cheeses. A constant factor was the meatball – a simple dish which could be offered with sticks as food for drinks parties. Swedish meatballs are well worth making for family use, to serve in their own juices with salad or vegetables, or to put into gravy or a home-made tomato sauce. A large batch may be made, as they freeze well, and they are delicious with pasta. Versatile really, just like me when I slaved as an au pair.

Swedish Meatballs

12 oz (350g) minced raw beef
4 oz (100g) minced fat pork
2 oz (50g) fresh breadcrumbs
8 fl oz (200ml) mixed water and creamy milk
1 tablespoon finely chopped onion
1 tablespoon butter
1 teaspoon salt
¼ teaspoon pepper, butter for frying

Toss the onion in 1 tablespoon butter until golden brown. Soak the breadcrumbs in water and milk, then add all other ingredients and mix thoroughly. Shape into very small balls (about the size of a walnut) using two spoons dipped into cold water. Fry in butter until evenly brown, shaking the pan continuously to make the balls round. From time to time, add a little water to the pan juices, swirl the pan and pour over the meatballs. Add more butter for frying the remaining meatballs. Serve hot or cold.

Serves 4 -6.

Glaven Caring host Summer Party Fundraiser

Glaven Caring welcomed friends, colleagues and clients at their Summer Party in the beautiful gardens of Bliss Blakeney on 23 July. The weather was kind and the evening view across to The Point was spectacular. The Party marked a 'Welcome Back to All' point in the calendar with the Centre now returning to full time opening hours and a daily luncheon club Mondays to Fridays. Plans are in hand to refurbish the Garden at The Glaven and the evening successfully raised over £1700 for these works. The Glaven Lottery was also launched on the evening - tickets for the weekly draw can be bought on line at:

www.onelottery.co.uk search for Glaven Caring to be in with a chance to win a prize of up to £25,000. We have had two - slightly smaller - prize winners already!

Guests were entertained to live music provided by talented students from Greshams School, organised by Sam Curtis. Games in the garden, for young and old, were a great success and guests enjoyed a delicious supper served up by Fat Ted's from Sheringham - who also kindly donated a percentage of their profits from the evening. Michelin trained chef Tom Byrom created a decadent deconstructed summer trifle pudding which was much enjoyed. It was lovely seeing everyone again - many of whom we will see again soon at the Centre - including our new volunteers.

With many thanks to the support of our volunteers and these local businesses for their support and generosity donating raffle prizes: Anna, Bayfield Hall, Blakeney Deli, Blakeney Garage, Blakeney Hotel, Blakeney House, Bliss Hotel (Southport), Byfords, Fat Ted's, Flint Gallery, Kings Head, Larners, Monica Vinader, Ptarmigan, Romantic Garden Nursery, The Anchor, The Moorings, Willie Weston, Wiveton Cafe and The White Horse.

Extracts from the meeting of **Blakeney Parish Council** which was held on **Tuesday 3rd August 2021** in **The Scout Hut**.

Chairman's Announcements –

As Chairman, I attended the NNDC Development Committee, at which they discussed 'The Hide', Queen's Close, and the committee approved the application, however, they have said that they will look into the gates as built and that they agent was going to condition the lighting. (*Members present advised that the external lighting, having been vastly reduced in the days prior to the committee meeting, is now back on in force and the District Cllr to report this back to NNDC.*)

I also attended the NNDC Development Committee, at which they discussed the application to extend the caravan season at Galley Hill House (about to be known as Hilltop Retreats and not to be confused with Galley Hill Farm) and this too was approved by the NNDC committee.

As a member of the North Norfolk Town and Parish Forum, you may be interested to know that the group is in contact with the Minister, via our MP Duncan Baker, regarding second homes and holiday lets, lack of affordable housing for local people, be it rent or to purchase, potential to raise income from second homes and holiday lets etc, all which BPC and other councils have discussed over the years. Some statistics may also be of interest to you; Blakeney has a total of 301 out of 703 (that is 42.8%) properties that are Second Homes or Holiday Lets, this is the highest figure of the table, which included,

Wells (34.2%), Sheringham (26.4%), Mundesley (17.3%), Trimingham (13.6%) and Langham (26.5%). The group are asking that the Minister looks at the potential income that could be generated for the District Council and the parish and towns if they were to introduce a levy for Council Tax on these properties, and for example, an additional income from 5% of the CT Levy at band D £95.20 per household, would bring in £15,993 to Blakeney and to Sheringham, it would be as much as £45,696. To summarise the group continues to work very hard for the parishes and towns in North Norfolk.

The Clerk shared the Play Inspection report(s) with you all and Cllr Jane Armstrong has analysed these, I therefore wish to seek the views of those present, on whether to resurrect the 'Recreation Committee' in order to consider the quarterly Play Inspection reports going forward, or whether to add this job to the 'Finance & Governance Committee', or to simply leave things as they are.

Member's view is, that this would be best added to the 'Finance & Governance Committee' where the reports could then be discussed and considered more fully.

Planning Applications – PF = Full Planning Permission, PM = Planning Permission – Reserved Matters, LA = Alteration to Listed Building.

PF/21/1425 – Proposal; Demolish existing studio and replace with proposed new studio (Consent for PF/17/0653 lapsed) at, **Southdown Cottage, The Downs, Blakeney.** **Resolved** – No objection, subject to it being built of brick.

RV/21/1785 – Proposal; Variation of condition 2 (approved plans), 3 (restricting use to retail bakery and café) and 6 (extraction equipment) and removal of conditions 4 (no primary cooking of unprepared food) of planning permission PF/20/2515 to allow the primary cooking of unprepared food and sale of hot food on the premises at, **St. Nicholas Church Hall (Two Magpies Bakery), The Quay, Blakeney.** **Resolved** – Object; We agree with the objector, who says that the application has been a manipulation of the planning system from the very start and we agree with the objections raised. We strongly believe that this bit-by-bit application will have a detrimental effect on many businesses in the village, most of whom are currently too busy and short staffed, to probably be fully aware of what is going on. We have concerns over the installation of an extraction/ventilation system on the exterior of this building, (which we have been led to believe has already taken place), as it will look straight onto Mariners Hill, a public open space in the heart of the Conservation Area, with the noise and smells affecting the near neighbours and those using Mariners Hill. For these reasons we urge NNDC to refuse this application.

PF/21/1805 – Proposal; Demolition of redundant garages and erection of 3 dwellings with associated parking at, **Land at Queens Close (old Garage Block), Blakeney.** **Resolved** – No objection.

RV/21/1876 – Proposal; Variation of condition 2 of planning ref. PF/19/0768 to allow for revised vehicular access arrangements and associated landscaping amendments at, **Hilltop Retreats (Galley Hill House), Langham Road, Blakeney.** **Resolved** – Object, we have huge concerns over the highway safety aspect of this proposal. This site lies on a bend, on the hierarchy road into the village, and will itself be generating a higher number of vehicle movements due to its future use. We also wish to see the current hedging preserved.

PF/21/1935 – Proposal; Extension and replacement roof with raised ridge height and including dormers to north elevation and balcony to south elevation to from 9 additional staff bedrooms at, **The Blakeney Hotel, The Quay, Blakeney.** **Resolved** – No objection, subject to a condition being added that there is to be a restriction/control over the parking on The Pastures driveway and that these proposals do not lead to further water/sewerage problems in the immediate area.

PF/21/1937 & LA/21/1938 – Proposal; Demolition of detached outbuilding ('The Folly') and erection of 3 storey building to provide additional guest suite. Conversion of roof space to 'The Granary' with addition of dormers and rooflights to form two guest suites and erection of extension to east elevation to form entrance hall. Replacement windows in north elevation to part of second floor of the main hotel building at, **The Blakeney Hotel, The Quay, Blakeney.** **Resolved** – Due to the number of elements within this one application, we will consider each part separately and comment as such on each element.

The Folly - Object; Upon reflection, we consider this to be a vast overdevelopment of the site and an intrusion upon neighbouring properties, and we support the objections raised

by residents of Quay House. If approved, these proposals must not lead to further water/sewerage problems in the immediate area

The Granary – No objection, although we note that this means a loss of parking spaces, when the Hotel already acknowledges that it has a problem with a lack of parking spaces now. Hence, our no objection is subject to a condition being added; that there is to be a restriction/control over the parking on The Pastures driveway and that these proposals do not lead to further water/sewerage problems in the immediate area

Replacement windows in main hotel – No objection.

RV/21/1859 – Proposal; Variation of condition 2 (approved plans) of planning permission ref. no. PF/19/2219 to allow for installation of solar panel to south elevation roof slope at, **Otium, High Street, Blakeney. Resolved** – No objection.

PF/21/1989 – Extension and alterations to dwelling at, **Saltmarsh, 18 Morston Road, Blakeney. Resolved** – No objection.

Accounts totalling £10,533.95 are approved and paid.

Clerk/RFO Report – Carnser Car Park and Coronation Car Park figures reported along with cashbook balances held.

The Bonfire & Fireworks committee have agreed to defer any decision about the 2021 event until September.

The 'basket swing' on the playing field, is due to be repaired by Fenland Leisure sometime this month.

Resolved to appoint Rosemary Thew as the 1 Parish Councillor to the **Dinghy Park Management Committee** and to approve the representatives on behalf of the Blakeney Sailing Club; John Seymour, Alan Collett and David Fairbrass, subject to the Dinghy Park Committee confirming that these persons comply with the recent adopted changes to those eligible to be appointed.

Resolved that having considered the **Tree Survey** dated May 2021 that we ask David Gillett to provide us with an itemised quote for all the proposed work, coded green, and then for all the proposed work coloured yellow.

Resolved to award this years '**Outstanding Contribution to the Community Award**' 2021, to Rachel Bould, for spearheading a super community response in light of the Covid pandemic, this recognition and award to be announced at the Party on The Pastures on 22nd August.

Resumption of BPC Meetings – We have booked the Scout Hut for our Parish Council meetings for the time-being, as it is more spacious than the Parish Office. However, the venue is only permitted to allow a certain number of people inside due to Covid restrictions we will have to manage accordingly, and so for now, if you do wish to join us at a meeting, if you could please let the Clerk know in advance that you plan to attend (a quick phone call or an email), that would be helpful and we will set the room out accordingly.

Blakeney Sailing Club

We have had an excellent few weeks to report. It has been Fun Week, one of the highlights of the Sailing Calendar. Alongside all of the sailing activities, there have been walks, tennis, bike rides. Also, it was 'Discover Sailing', previously known as 'Push The Boat Out' which was well organised and a great success bringing lots of lovely new faces on the water. Then came Morston Regatta on 14th August, a very exciting windy day!! There are some very impressive aerial photos of the event on Facebook. The day after came the RNLI Race where several dinghies raced with proceeds going to the RNLI.

John Myers writes:

I think it was quite an excellent morning for racing. Brilliant weather with good but not overpowering winds. We had 13 dinghies that entered for the two RNLI races that BSC hold annually about this time of year. Entry fees and donations received will be passed over to the RNLI. Many thanks.

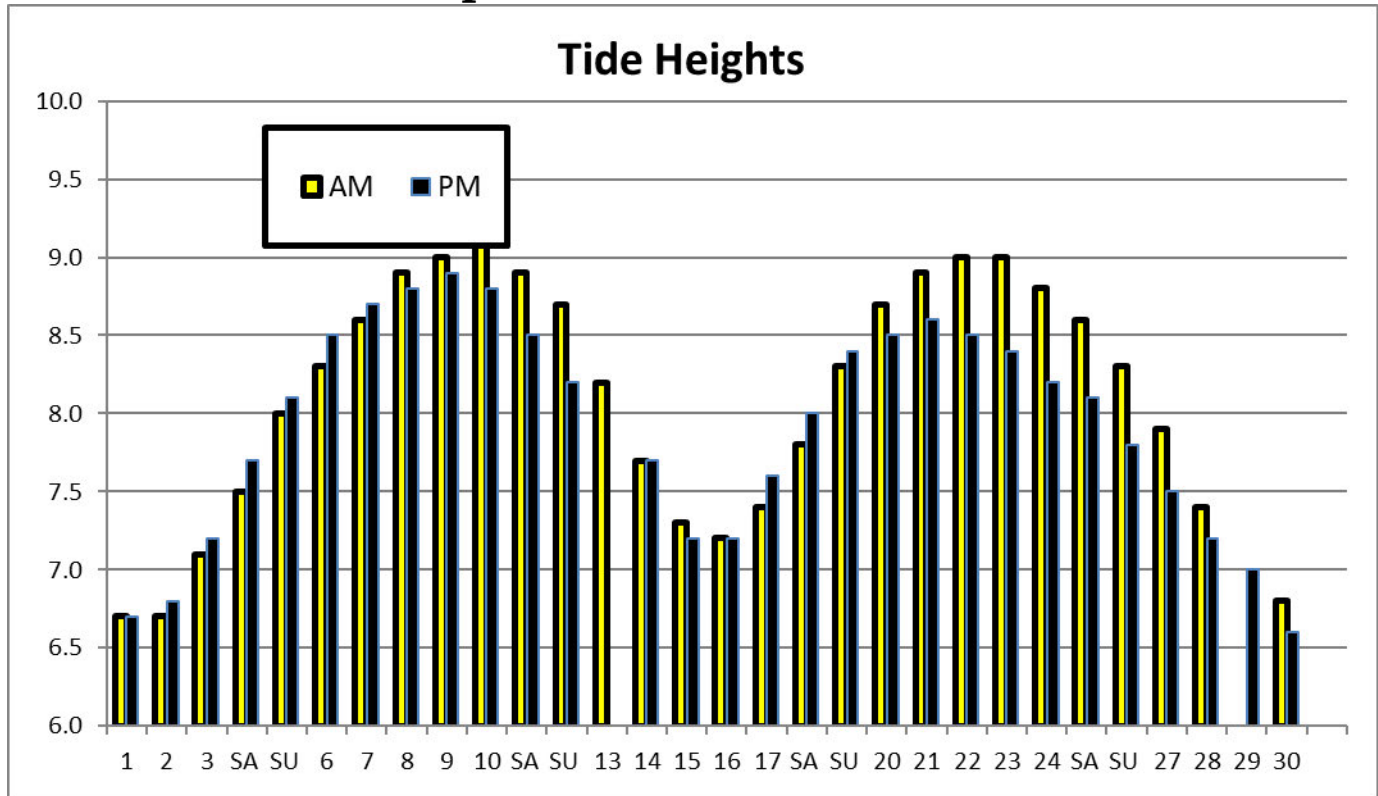

Having taken in to account the PNs of the contestants' dinghies, I am always surprised by the eventual winners of our races. Tom Riley in his laser 43303 has done exceedingly well this weekend with a second and first place today. Despite his ageing laser, he does repeatedly get good results. Well done to him. The second standout contestant was Patsy Seymour in her laser 4.7 this morning. She managed a third and second place in the two races. With only one race entered for, Alan Robinson and Angela Harcourt achieved a winning place in the first and longer of the two races. Congratulations to them

We are already half way through August. We still have some excellent times ahead. The week after this we have racing every day of the week. So, we look forward to seeing you for that lengthy period of races. Many thanks to all the contestants and to the patrol boat helms and crew, who had to be particularly vigilant today.

There is so much more to come... Mid-Week Holiday Sailing, kayaking trips, the Autumn Series. Come down to the hut to say hello or have a look on our Facebook and Instagram pages.

Stay safe, Amy Howes

Thoughts from the Rectory for September 2021

Dear Friends,

I dare say the name Hildegard of Bingen will be unfamiliar to some readers. But I thought I'd share a bit about her, because she was such a fascinating woman. The reason I mention her now is that she is remembered in the calendar of saint's half-way through this month (17th September).

Hildegard was a remarkable person, and her accomplishments are all the more notable for having been achieved by a woman in what was then a largely male-dominated world.

She was born in 1098 AD, the youngest of ten children, and brought up in SW Germany. At the age of 15, she became a nun, in the Benedictine tradition, and in due course prioress of the monastery in 1136. She had a series of thirteen visions, which she recorded, making it clear that these were not dreams or hallucinations, but had come to her "when she was awake, and looking around with a clear mind, in open places according to the will of God." In these writings, including "The Book of Divine Works", she described the essential and dynamic unity of all living things under God. She wrote poetry too, which has been likened to that of Dante or Blake.

She was also an accomplished musician, and produced 77 superb and original pieces of music, written for her nuns to sing. I've had a CD of her music for years, and I still find it beautiful and powerful. Her writings and music are still being published and recorded.

But she didn't shut herself off from the world at all. She was a speaker, and counsellor, and wrote letters of advice to popes and emperors. Before the murder of Thomas à Becket, she wrote to Henry II, warning him about the abuse of power!

I love the idea of someone who managed to combine the contemplative life with the urge to speak truth to power. She managed to sustain a sense of the beauty and sacredness of life and the created world, while stirring things up to make sure that the world and its people were treated properly!

At this time of climate crisis, for example, I reckon we all need to try to emulate that: cherish the world, and challenge the complacent!

*God bless,
Richard*

Services – news & information

In July we re-launched our Family Service in Wiveton. This month, we're re-starting Café Church at Cley, on Sunday 19th at 11.15. Café Church is an informal service with coffee, croissants and the Sunday papers! Do come along and see what it's about.

The 9.30 weekly service at Blakeney will continue to be available on our "St Nicholas Church Blakeney" YouTube channel.

Visit to the Norfolk Wildlife Trust – Cley Marshes - August 2021

Our August meeting was held at the Norfolk Wildlife Trust on a beautiful afternoon. We met at our usual time of 2.30 pm for a lively chat and catch up before getting down to the business part of the meeting. Once that was over, we enjoyed a really lovely afternoon tea with splendid cakes and a choice of about a dozen different teas. There was an interesting exhibition in the old NWT building and then we had an opportunity to visit the very well stocked shop.

Our next meeting is back in Cley Village Hall on 2 September and Alison will detail future meetings below. Visitors are most welcome or, better still, perhaps you would like to become a member of Cley WI.

No meeting this month, but I wanted to take the opportunity to thank Roger Brownsword for over 20 years of leadership as our Head Flood Warden. We're very sorry to hear he is retiring from this post. Together with Tony Aberdein, who is sadly no longer with us, Roger has done the most fantastic job looking out for us during storm events and will be sorely missed. We are extremely grateful to him for his unstinting service.

I would also like to thank our serving flood wardens, very ably led by Andy Gonzalez and Calum Meadows, for all they do for us. We are in safe hands- because of their broad local knowledge, flood wardens perform a vital role in translating intelligence from the Environment Agency into life-saving action on the ground. We do need additional flood wardens; if you would like to become involved in this important role, please do get in touch and I will pass your details on.

Flood events are going to become more common and we need to be prepared. One of the great difficulties in Cley in a flood event is knowing which properties are occupied. If you own a second or holiday home, we really need your contact details so we can easily find out whether your property is occupied or not at the time of a flood alert or warning. This information could save lives: so please send your details to the clerk on clerk.cley@gmail.com and we will keep them securely.

We are still looking for one more person to complete our community speed watch team which is otherwise ready to go. Training will be provided and time commitment is an only couple of hours a month.

Our superfast broadband is now live in most of the village! Whether or not you submitted a voucher, you can contact your provider of choice to get a quote and be connected.

We are awaiting the outcome of the Hangs Footpath Inquiry. Thank you to all who took part. I was told we might hear the outcome in a couple of months, though given the speed of the wheels turning so far it may take longer.

The Arcady appeal process is continuing; there may be revised plans submitted for us to review.

The next meeting is Thursday, September 9th at 6.30pm in the Village Hall. The agenda will be published on the Notice Board and on the website www.cleypc.info. We may still decide to limit numbers, so check whether you will need to book a place with the clerk. Otherwise, please comment on or ask general questions about Agenda items before the meeting by getting in touch with the clerk or myself. Minutes are posted as usual on the website.

WIVETON CHURCHYARD HAYMAKING DAY 2021

Dear Haymakers and Rakers,

August is here and as usual we are planning the traditional annual raking-up in Wiveton churchyard, on Saturday, **25th September**. Please put the date in your diary and join us from 10.00am. Bring rakes, barrows, gloves and forks if you can (it's not essential). We will rake up the hay and barrow it onto a trailer to be taken away, so the Churchyard can be left neat and tidy for the winter, and the new growth can prosper in the spring.

This is a very relaxed, convivial and enjoyable event, and is now a regular fixture in the Wiveton calendar – everyone is welcome – the more the merrier! We are assuming that the risk of Covid-19 will be manageable, allowing a more relaxed atmosphere than last year but do bring face masks if you would like to.

Lunchtime Refreshments – free beer, bread and cheese and pork pies - will be provided, in a covid-compliant way.

We shall hope for a perfect late summer hay-making day, but if rain is forecast and you are in doubt, please contact us to find out.

To let us know whether you can help, or for more information, please telephone us on 01263 740294 or 07702 169166, or email hamilton.wiveton@btinternet.com

Wiveton Church

I am delighted to report that since Frances Emeleus' piece in July's GVN we have been given a pledge of £22,000 and awarded a grant of £4,000 by All Churches Trust. This takes us over the half way mark, which means that we are now able to approach the National Churches Trust, who will only consider a grant if we have raised over 50% of our target figure. It is very encouraging and shows that the demanding target we have been set is attainable. We are now £52,000 short of our original target of £130,000.

We are waiting to hear from other Grant Making Trusts and are in the process of putting together a Crowdfunding appeal. Watch this space!

Future Events

Please see separate page for details of two events being put on by The Friends of Wiveton Church:

Thursday, 30th September 6-8.00pm. Drinks and Nibbles to celebrate the end of lockdown at the Church

Thursday, 25th November 7.00pm. Fundraising dinner at The Wiveton Bell

Wiveton Church 200 Club

The lucky 1st prize winner in August's draw was Frances Emeleus, with a prize of £55.00.

Currently we are giving away over £100 in prizes each month, but you have to be in it to win it! The more members we have, the greater the level of prizes.

For an application form, please either pick up a leaflet in Wiveton Church or contact Anthea de Loynes: antheadeloyne@aol.com, 07746 018310.

The Friends of Wiveton Church have organised the following 2 events. We do hope that you will come and support us.

CELEBRATION OF THE END OF LOCKDOWN

The Friends of Wiveton Church would like to invite everyone in the village, and neighbouring villages for **drinks and nibbles**. Celebrate with us and reconnect with neighbours you may not have seen for some time and hopefully meet some new ones as well as the church bell ringers.

Thursday 30 September, 6pm - 8pm
All the family welcome

This community event will be held in the church grounds or in the church subject to weather. To help with catering, please could you let Susi Killin (suzikillin64@gmail.com) or Anthea de Loynes (antheadeloynes@aol.com) know if you can join us.

FUNDRAISING DINNER AT THE WIVETON BELL

With generous support from the Wiveton Bell, enjoy a delicious 3 course dinner for £35 and **help save the Church** from closure.

Thursday 25th November. Arrive 7pm, seated by 7.15pm

Please book a table with your friends and neighbours. 3 tables of 8 available and 9 tables of 6. Smaller bookings on a shared table basis.

There will also be a raffle and auction with great prizes.

For further details or to book a table please contact Anthea de Loynes on 07746 018310 or email antheadeloynes@aol.com.

We look forward to seeing you there

Go to the right place for health help this summer

The NHS in Norfolk and Waveney has launched an eye-catching new campaign urging both residents and holiday-makers to choose the right service for illnesses and injuries this summer.

Called “happy healthy holidays”, the initiative is being spearheaded by NHS Norfolk and Waveney Clinical Commissioning Group with the aim of reducing the number of people going to emergency departments (A&Es) with minor problems.

It reminds both residents and visitors of the wide range of support which is available for anyone who needs medical help. As well as **self-caring** for minor illnesses and injuries using a well-stocked first aid kit, people can:

- Contact **NHS 111** by calling 111 or visiting 111.nhs.uk for advice on what to do and where best to go for treatment for urgent medical problems.

Anyone who thinks they need A&E should call 111 first, and they can book a time slot at an emergency department if necessary. Calling 111 first will help urgent and emergency care services to maintain social distancing and ensure that patients receive the right care in the right place, in a timely and safe way.

- Visit a **pharmacy** for expert help and advice on common conditions such as hayfever, colds, cuts and bruises and insect bites. Pharmacies also offer free lateral flow tests so that people without symptoms can regularly test themselves for COVID-19.
- Drop into the NHS **Walk-In Centre** at Rouen House on Rouen Road in Norwich. Open between 7am and 9pm daily, it can help with minor cuts and wounds, strains and sprains and skin complaints.
- Go to the **Minor Injuries Unit (MIU)** in Cromer or Wisbech, which have x-ray facilities and can provide treatment for minor wounds, burns, simple fractures and other injuries. People can call 111 for their locations and opening times.

Dr Anoop Dhesi, a local GP and Chair of NWCCG, said: “Across the NHS, we are seeing demand for services rise. By reminding people of the options which are available for more minor complaints, we hope that we can reduce pressure on our emergency departments and keep them free to focus on treating patients with life-threatening illnesses or injuries.

“Although we are specifically targeting this campaign at holiday-makers, we’d also like to take the opportunity to remind local people of the range of help which is available. By going to the right place first time, you will often be seen faster, which means that you can get back to enjoying your day more quickly.”

The Norfolk Coast Dark Skies Festival is returning for its 3rd year this autumn. With an emphasis on wildlife and the dark, a range of face-to-face and online events will include wildlife walks at night, stargazing, soundwalk, talks, podcasts and activities. The 2-week long festival launches on Saturday 25th September at Thornham Village Hall and will celebrate the stunning dark skies and landscapes of the area as well as raise awareness about issues of increasing light pollution.

We are really lucky as the Norfolk Coast is one of the darkest areas in the UK. This contributes towards the rural character and feelings of remoteness and tranquillity that we enjoy here. Our wildlife also benefits enormously from the dark night-time – whether they use it to hunt, to hide from predators, reproduce, migrate or simply to sleep like we do.

Unfortunately, light pollution can have a negative effect on our wildlife, our well-being and the rural atmosphere of the coast. Through this festival we can discover the wonders of our environment after dark and learn how we can all do our bit to preserve the night skies. We’re very interested in talking to parish councils, businesses and organisations who are keen to become more dark skies friendly.

More information, event listings and booking details can be found on the Norfolk Coast Partnership website <http://www.norfolkcoastaonb.org.uk/partnership/dark-skies-festival-25-sep-10-oct-2021/1229>

Stan and Dan deliver

In a mad moment of weakness, Peter Franklin (Writer & Director) & Blakeney Players, decided to produce their first production in 18 months. God, that must have been hard and stressful, but once the wheels were in motion, there was no stopping them.

'Stand & Deliver' was born.

The night I went, the room was two thirds full; not bad at all considering everyone is still very cautious. Some wearing face coverings, some not, but everyone had a good time.

You have all done an amazing job under very difficult circumstances.

Thanks to you all; on behalf of the audience, whether you were a player or part of the production team for your dedication to the cause. Not forgetting Mel and Karen who issue tickets at the door.

SALTHOUSE PoW LOVE **STORY SPARKS PLOT FOR** **NEW NOVEL**

The unexpected discovery of a prisoner of war camp at Salthouse during the Second World War provided inspiration for the latest novel by local author, Sarah Mitchell, launched this summer. 'The English Girl', published by Bookouture, is based on historical events unearthed by the author during research for her first novel, 'The Lost Letters', set in Wells-next-the-sea.

Bardhill Camp, located behind the Dun Cow pub, was an RAF base which housed German and Italian prisoners of war from 1946-1947. The prisoners were kept on after the war ended to clear mines from the beaches. Although collaboration was initially illegal, a local girl from Cley, Janette Dams, fell in love with one of the German soldiers and they later married, much to the disapproval of certain members of the community.

Mitchell said, "Despite having lived in Letheringsett for nearly 20 years, I had no idea that there was a PoW camp on this part of the coast and it was exciting to come across evidence of its existence. The relationship between the villagers and the PoWs is documented on the Salthouse village website; in December 1946 each household was asked to host a PoW for Christmas lunch and this opened the gates to relationships being forged, creating tension and unease in a small rural community."

'The English Girl' is a fictional account of these events set amidst the atmospheric landscape of Cley marshes during the bitterly cold winter of 1946. It imagines the impact of the prison camp and the sudden presence of captured soldiers upon a small community, sparking mixed emotions for those facing the loss of loved ones killed in battle. The narrative features a young girl, Fran, who meets and falls in love with Thomas, a German prisoner, forcing her to embark upon a journey of secrets and betrayal.

Sarah Mitchell, a barrister, grew up in Norfolk and graduated from the UEA's Masters programme in Creative Writing in 2015. This is her third novel. 'An English Girl' is available from Amazon in paperback or kindle format, in paperback from Jarrold's book department, and can also be ordered from other local bookshops.

Chances: A new employability project in Norfolk

When Liza started working with the Chances project, she hadn't had a job in nine months – but that was about to change. After Covid, everything was different: her employer had to let her go, and she'd lost confidence that she'd be able to work again. Her housing situation was precarious, too. She wasn't sure she'd be able to afford her rent, and wanted to move to a more affordable flat. Liza wanted to work, and was motivated to find a job – but she needed confidence, and support, to help her take the next step.

Chances provided that support. Liza worked one-to-one with Eniko, one of our Advocates, to update her CV, assist her with job searching, and helped her access opportunities to improve her English. In less than a month, Liza had attended an interview and been offered a new job, as well as securing a permanent tenancy with Clarion. Eniko even helped Liza search for used furniture around Blakeney, so that she could furnish her new home with a dining table and chairs.

This is why Chances works. Advocates offer one-to-one, tailored support to help you take the next step towards work. We have time to spend with you, in person and face to face. It's not just about pushing you into a job or getting you to log onto a website every day to prove you want to work. We're here to support your wellbeing as well as your job search. You

choose to work with us. Take a chance on us, we'll create chances for you. In Liza's case, she found a new job. We can also help you access training and education, improve or refresh your skills, help you overcome practical issues (like finding transport, route planning and childcare), boost your confidence, and help you get more active.

If you'd like to learn more about Chances, you can contact Eniko on 07729820290 or e.kovacs@ncab.org.uk, or William Schofield on 07518432234 or w.schofield@ncab.org.uk. You can read more or sign up on our website, www.ncab.org.uk/chances-project.

Peace of Wild Things

When despair for the world grows in me
and I wake in the night at the least sound
in fear of what my life and my children's lives may
be,

I go and lie down where the wood drake
rests in his beauty on the water, and the great
heron feeds.

I come into the peace of wild things
who do not tax their lives with forethought
of grief. I come into the presence of still water.

And I feel above me the day-blind stars
waiting with their light. For a time
I rest in the grace of the world, and am free.

September at the Museum of the Broads

The long summer holiday may be over, but you can still enjoy the warm and sunny days of September. The Museum is open Sundays, Tuesdays and Thursdays, 1100 – 1500 and one of our boats is running each day.

Sundays 12 and 19 September see the return of the very popular Heritage Open Days at the Museum. Discover the stories of the Broads for free, meet best-selling author, Chris Crowther, whose latest book, *Watershed*, is set at the Museum and take a river trip on one of our boats (charge). To book, see our website or give us a call.

Come & Sing Baroquary Saturday 2 October 2021

After a long-enforced break due to the COVID-19 pandemic, Sheringham and Cromer Choral Society are delighted to invite the local community to join them for a vibrant day of music making. The event is open to all. From experienced singers to beginners, all ages, everyone is welcome. Come and join us to experience the joy of singing this wonderful choral music.

The Come & Sing workshop will take place on Saturday 2 October at The Lighthouse Sheringham. Starting with arrival from 10:00am, the day concludes at 3:00pm, with an approximate 45-minute informal concert showcasing the pieces which have been sung during the day. Friends and families are all welcome to the performance.

The workshop will be led by the Society's musical director David Ballard and accompanied by Philip Adams. The day will be spent exploring a host of baroque choral music from Bach to Vivaldi via Monteverdi. Also, pieces by Handel, Byrd and Purcell. Full details can be found on the Society's website www.sheringhamandcromerchoral.org.uk/come-sing/ Every person attending will receive a booklet containing all the necessary music for the day.

Booking Information: Tickets cost £10. Pre-booking is essential. Please complete the Booking Form which can be found on the Come & Sing page of the Society's website. Numbers attending will be limited so early booking is recommended.

For more information about the choral society please visit www.sheringhamandcromerchoral.org.uk
